Dear Officer,

APTR, The Romanian Association of TV Professionals, is the leading organization of its kind in Romania , and its main purpose is to recognize and award the APTR Prize for excellency in television production to the best TV Producers, Directors, and the best Romanian TV Productions. Since 1990, when the association was founded, we organized a yearly event, a Gala, in which the best professionals in television and video production are awarded with the highest distinction in Romania, the APTR Award. It's the equivalent of the Grammy Awards for television in the United States.

We certify that Mr. Lucian Blaga is a Romanian Director who was awarded APTR prize twice, for two video productions. One was "Duminica in Familie" (Sunday in the Family) a live entertainment TV Show, hosted by Mihaela Radulescu, one the most famous TV entertainer in Romania, where Mr. Blaga was a Director and producer of the TV Show at the beginning of it. Second Award was granted to Mr. Blaga as Director of "Irak - Stelele Desertului" (Irak - Stars of the Desert), a coverage of the Romanian Army stationed in Irak, together with the American Army.

We recognize Mr. Blaga as being a well-known, renowned Director in Romania,

Respectfully yours,

Dan NECSULEA,  
Film Director, President of APTR
