One of the most successful music videos for our recording label were directed by Mr. Lucian Blaga, for our top artists and bands. With an audience of over 4.000.000 people on both the Music TV Stations which broadcasted his videos and online, Mr. Blaga is one of the most prominent and renowned Directors and Video Producers in Romania, and gained a significant recognition. After Mr. Blaga recieved the Award for the production of "Tot ce Vrei" music video at the MTV Romanian Music Award, we continued to work with him for other music videos for some of the most renowned artist in Romania - Directia 5 ("1999", "Am nevoie de tine", "Obsesia", "Daca ai sti", "Poti sa visezi", "Esti stilul meu", "Cu bratele deschise"), 3SE ("N-ai avut curaj", "Cand soarele rasare"), Cassa Loco ("Sorel", "Vand fan"), Andre, Hara and many others.

Winning a MTV Music Award for a video production in which Mr. Blaga had the leading role as a Director, is an achievement that anyone can be proud of.

Sincerely yours,
